

Para Data Collection Quick Card

Fast, practical prompts for paraprofessional observation and handoff notes

classroompulse.io

Quick Codes

Code	Meaning
A	Antecedent or trigger
B	Observable behavior
C	Consequence or adult response
F	Frequency count
D	Duration
L	Latency
I	Interval yes/no check

Mini ABC Log

Antecedent	Behavior	Consequence	Notes

Quick Check Grid

Time	Frequency	Interval	Support used	Notes
Block 1				
Block 2				
Block 3				
Block 4				

Handoff Notes

- Share one clear pattern, not every detail
- Use observable language, not labels
- Flag what support helped the student recover

End-of-day handoff

Make Para Notes Easier to Use

Classroom Pulse turns quick observations into shared team data so paraprofessional notes feed the bigger behavior picture.
